#### § 2884.23

### § 2884.23 Under what circumstances may BLM deny my application?

- (a) BLM may deny your application if:
- (1) The proposed use is inconsistent with the purpose for which BLM or other Federal agencies manage the lands described in your application;
- (2) The proposed use would not be in the public interest;
- (3) You are not qualified to hold a grant or TUP;
- (4) Issuing the grant or TUP would be inconsistent with the Act, other laws, or these or other regulations;
- (5) You do not have or cannot demonstrate the technical or financial capability to construct the pipeline or operate facilities within the right-of-way or TUP area; or
- (6) You do not adequately comply with a deficiency notice (see §2804.25(b) of this chapter) or with any BLM requests for additional information needed to process the application.
- (b) If BLM denies your application, you may appeal the decision under § 2881.10 of this part.

## § 2884.24 What fees do I owe if BLM denies my application or if I with-draw my application?

If BLM denies your application, or you withdraw it, you owe the processing fee set forth at §2884.12(b) of this subpart, unless you have a Processing Category 5 or 6 application. Then, the following conditions apply:

- (a) If BLM denies your Processing Category 5 or 6 application, you are liable for all actual costs that the United States incurred in processing it. The money you have not paid is due within 30 calendar days after receiving a bill for the amount due; and
- (b) You may withdraw your application in writing before BLM issues a grant or TUP. If you do so, you are liable for all actual processing costs the United States has incurred up to the time you withdraw the application and for the actual costs of terminating your application. Any money you have not paid is due within 30 calendar days after receiving a bill for the amount due.

# § 2884.25 What activities may I conduct on BLM lands covered by my application for a grant or TUP while BLM is processing my application?

- (a) You may conduct casual use activities on BLM lands covered by the application, as may any other member of the public. BLM does not require a grant or TUP for casual use on BLM lands.
- (b) For any activities on BLM lands that are not casual use, you must obtain prior BLM approval. To conduct activities on lands administered by other Federal agencies, you must obtain any prior approval those agencies require.

#### § 2884.26 When will BLM issue a grant or TUP when the lands are managed by two or more Federal agencies?

If the application involves lands managed by two or more Federal agencies, BLM will not issue or renew the grant or TUP until the heads of the agencies administering the lands involved have concurred. Where concurrence is not reached, the Secretary of the Interior, after consultation with these agencies, may issue or renew the grant or TUP, but not through lands within a Federal reservation where doing so would be inconsistent with the purposes of the reservation.

#### § 2884.27 What additional requirement is necessary for grants or TUPs for pipelines 24 or more inches in diameter?

If an application is for a grant or TUP for a pipeline 24 inches or more in diameter, BLM will not issue or renew the grant or TUP until after we notify the appropriate committees of Congress in accordance with 30 U.S.C. 185(w).
